

# An easy way to teach computer coding

... the best way  
to deliver STEM  
&  
digital technologies

**saeOn**  
Australia

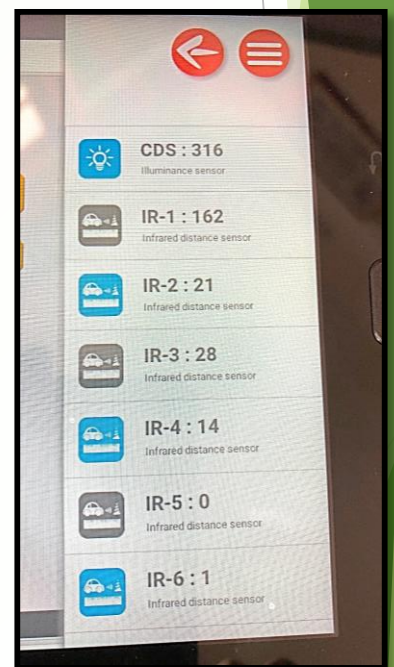

# If your students can code with Altino, they can program a computer

## Altino the Robot Car

- Australia's most sophisticated AI educational robot
- Teaches six+ languages
- Use with iPad, tablet, laptop, PC
- 8 x 8 LED dot matrix
- Add Arduino Board, Raspberry Pi
- Six infrared sensors, light sensor, gyro, acceleration
- Lights - brake, blinkers
- Easy and fun apps to start

*“With a rechargeable battery and 6-8 hrs of operation, Altino can be used across multiple classrooms in one day. A valuable STEM asset for your entire school”*

Students see data coming alive!

# Code with Altino Curriculum

- Early learning through to Year 12 with one robot
- **Altino and the specially designed curriculum grows with you**
- Delivery of mandatory technology curriculum hours
- **Step-by-step “follow the bouncing ball” for teachers**
- Full online Australian curriculum
- **Linked to NESA and ACARA Syllabus (STEAM & Digital Technologies)**
- Teach students yourself for significant budget savings or use our expert teachers
- **Visual and tactile learning as endorsed by NESA**
- Easy modular format each language
- **Includes total music theory tutorials**
- Pixel art on LED screen

The Sydney Morning Herald   

# SCHOOLS SUMMIT

25 February 2019 | ICC Sydney | Future frameworks for challenging times

*“Altino has successfully been teaching coding in 9 countries for 7 years”*

“Altino the Robot is a practical coding platform and more versatile than other robots available. Altino has proven to be a real success story and an invaluable resource with the new Science & Technology Curriculum as a motivational tool for coding”

**Steve Napoleoni**  
Technology Teacher  
Wilton Public School

“Altino takes coding to levels far beyond those previously available in primary schools. I am certain it will be a wonderful springboard for our students and staff, as the 2019 Digital Literacy & STEM Curriculum hits all NSW schools”

**Robert Peers**  
Principal  
Our Lady Star of the Sea, Terrigal
